

University of Louisville SPEED Algebra Readiness Exam

The **SPEED Algebra Readiness Exam** may be taken online following each Summer Orientation. This assessment will allow you to see if you have the required Algebra skills necessary to be successful in ENGR 101.

To access the **SPEED Algebra Readiness Exam**:

- Go to <http://blackboard.louisville.edu>
- Click User Login
- Enter your username and password
(This is the same as your ULink username and password.)
- Under "**My Organizations**" click on "**Calculus Preview Program**"
- Once the **Calculus Preview Program** opens, you may navigate the site using the buttons on the left.
- Click **Algebra Readiness**
- Click **Algebra Readiness Exam**
- Read the instructions and **Begin the Test** by clicking **OK**
 - a. The exam should take 30 to 60 minutes.
(Due to slow internet service or possible technical problems, you will have 90 minutes before the exam shuts off.)
 - b. You can only take the test once.
 - c. You should not have any assistance from any person, textbook, calculator, etc. while taking this assessment.
- After you complete all of the problems on the exam click **Submit** in the bottom right hand corner.
- You will automatically receive your score immediately after submitting the exam.

If your score is below 80% on the Algebra Readiness Exam, you need an Algebra review before taking calculus in the fall.

REACH is offering a summer [SPEED Calculus Preview Program](#).
